**Title IV Fee Authorization for Current Academic Year**

The U.S. Department of Education requires that Federal Title IV financial aid funds (Federal Pell Grant, Federal SEOG Grant, Federal Teach Grant, Federal Perkins Loans, Federal Direct Subsidized Loan, Federal Direct Unsubsidized Loan, Federal PLUS Loan and Federal Graduate PLUS Loan) only be applied towards allowable institutional charges (tuition and fees, and university housing and meal plans when applicable) for this current academic year.

However, with your authorization, the University can apply excess Federal Title IV financial aid funds you receive to non-institutional charges appearing on your student account for the current year. This means that your Federal aid can also pay for items like parking permits and fines, dorm damage charges or health insurance.

**Title IV Fee Authorization Statement**

I authorize Montclair State University to apply any excess Title IV financial aid to non-institutional charges appearing on my student account for the current academic year. I understand that this authorization is valid from the date of completion throughout my academic career at MSU. I may change this authorization at any time by notifying the Office of Student Accounts in writing at Montclair State University, Red Hawk Central, 1 Normal Avenue, Montclair NJ 07043.

If you do not authorize the use of federal fund for these charges, you will be responsible for paying them yourself. Please indicate your authorization below by initialing the appropriate box.
