SETTING UP EACCOUNTS TO SHOW REMAINING BLOCK BALANCE
**STEP 1:**
Open up your eAccounts app and log-in with your Net ID and password.

**STEP 2:**
When you log-in, you will see the balances on all accounts associated with your account.

You will also see your meal plan listed at the bottom of these accounts. Click on your meal plan to open it.
STEP 3:
Once you have clicked on your meal plan, and it opens to your activity screen, click on the drop down menu that says “THIS WEEK”.

STEP 4:
Once you have clicked “THIS WEEK” a menu should pop up for you at the bottom of your screen.

This menu allows you to choose your view, you will need to select “SHOW SEMESTER/QUARTER”.
STEP 5:

Once you have selected “SHOW SEMESTER/QUARTER” your app should update to show your remaining block balance.

This view shows you up to date counts on the blocks remaining in your meal plan.

You will only need to make this change once, and the app will remember the settings you selected.

You will also be able to see your remaining block count next to your meal plan when you log in next time!
