Evening Programming

Evening programming is a fun, highly interactive way to round out your stay at the School of Conservation. Our evening programs give students the opportunity to see animals up close and to build upon their knowledge of the natural environment. Dances are another popular way for students to wind down after a day of classes.

Earl Heller  DJ/Dance  973-978-8765  djsoundsolutions@yahoo.com
Fred Decker  DJ/Dance  973-479-9709  fred@sussexhonda.com
