Emma Rush: They haven’t been determined yet because the current statute changes for the Fall 2018 semester haven’t been voted on yet. Anyone else?

Jack Zhang (POI): What does the constitution effective date mean?

Emma Rush: That is the tentative date that all the legal paperwork will be done and the constitution would be effective. We are still working on what method that will be.

VI. CABINET REPORTS

David: As we approach the holiday season and the end of the semester, the class one organizations are doing really well so far and are pushing their way to end of the semester on a good note. As a quick update regarding the activities done with the organizations is that on November 13th, 2018 during our second to last director meeting we had Marie-Esther come to talk about Human Rights Organization about trafficking and explain how organizations can get involved in supporting that cause, we had a brief look at how the scheduling for Spring 2019 Meetings and Events is operated so organizations can the this time to plan out events so they can submit them when the time comes, most importantly we talked about the Accreditation Point Sheets and answered any questions regarding filling out the form and what is expected from organizations on that form. I set out reminders for organizations to continue filling out
Food Inclusivity Event Certifications because the SGA is still honoring events that gave the extra mile to provide food inclusive options at their events, to vote for the upcoming special election for the Executive Treasurer starting Monday at 12:00AM till Wednesday at 3:00PM and to partake in November 14th’s SGA Meeting if organizations would like to hear from Dr. Cole and what she has to say about new items coming on campus and ask any questions.

Monique: Hi guys my name is Monique. My last meeting was cancelled due to the weather, but the meeting before that I just went over the accreditation packet making sure that the organizations are up to date on their monthly reports because a lot of orgs don’t do them. I made it clear that it is for you guys to see, so they have to make sure that those are in. I had a conversation about orgs when it came to fixing their constitution and recharterment as a whole. Other than that inaudible.

VII. COMMITTEE REPORTS

G & A: So hey, today the Attorney General and I met with Julie Fleming and we verified the elections results for the special election for the treasurer. And we’re still working on the statutes, so please come we value your input.
