III. ACCEPTANCE OF MINUTES

Emma: We have quorum. Everybody scroll down to the bottom of the agenda. Please look over the meeting minutes let us know if anything needs to be amended. I am going to give you two minutes to do that. Does anybody see any amendments that need to be made to the minutes.

Legislator: Under open forum, there is a typo “thi”, which should say “this”.

IV. ADMINISTRATIVE REPORTS

Julie: Hi, Good Afternoon, I am Julie, Marielle will be out for the next two weeks, and you guys have been blessed with me meanwhile. No more charter request are being accepted. If anyone says they are submitting a request after November 1, they can no longer do that. January will be when they can submit for the Spring Semester.

V. OFFICER REPORTS

VI. CABINET REPORTS

David: As of so far all Class One Organizations are doing well and they are slowly making their way towards the end of the Semester. As a quick update, on our Bi-Weekly Meeting on October 30th, 2018 we had a lengthy meeting which consisted of addressing the transition process during the absence of the SGA Executive Treasurer and who will be responsible for the approving paperwork and signatures of reimbursement checks, and I had two guest speakers come to speak to the organizations, one being Heather Francis who notified the organizations about their official leave in being the SGA Executive Treasurer and Ruth Delgado who came to talk about Hunger and Homelessness Awareness Week and how the organizations can partake and support the cause. Lastly, we also conversed on the topics that the organizations suggested that should be addressed during the Town Hall meeting.

VII. COMMITTEE REPORTS

Primo: Hello everyone,  
Right to business, I have had my hands full this past week, with the late submissions and bill writing. This morning I wrote up 14 bills today for the late organizations, and am still working on scheduling them in to present to Org Review. These next few weeks are going to be tight when it comes to Org Review, because
of Thanksgiving break coming up and it lands on an org review day. I'm trying to fit as many in one committee meeting so were not here until Christmas. Were going to try and fit 5 in per meeting, and they get 12 min slots to present, so it'll be a close one, but I have blind faith in our committee that we can do it. As of Ghosts- there are 9 total which is fine, but on the other side of that we have 11 Angels, and those are initial charters. So we will be, hopefully, welcoming 11 new orgs ranging from a Habitat for Humanity, to a Food Systems Club and even an International Students Organization.

And now for the numbers Class II will stay at the 16 orgs, which is what they had before. Class III is getting 7-9 new orgs, so it would go from 30 total, to around 40. And there are 2-3 new class IVs joining us.

That's it. I just want to make sure yall are aware that because of Thanksgiving Break, were losing a week, so we would have finished presentations by November 29th, but its getting pushed back a week and will push into December.

Emily: A student came to us, and sat in on our committee meeting, who had concerns about the lack of Kosher options on campus. From there, we discussed the possibilities of Bistro becoming a Kosher kitchen, and possibly connecting Bistro to the unlimited meal plan. We plan on sending out a survey to gauge what students would prefer to/must eat Kosher/Halal on campus. Any food that is Kosher is also Halal.

Angela: No report.

Andrew: Ty motioned to make Kelly temporary secretary. Motion seconded, Vote 5-0-1. Kelly accepted.

VIII. PROGRAM

Emma: So I mentioned to those of you in Government and Administration that we would be discussing over the budget today because, um, you have never seen the corporation budget. So, Serafina has graciously decided to explain to us to the best of her ability where our appropriated funds are being allocated.

*Student Government President, Serafina Grace reviewed the budget of the Montclair State University Student Government Association for the 2018-2019 academic year. If interested in obtaining a copy of the budget, please feel free to visit our bookkeeper Pam.*

Joe: Just remember you are here to compromise with everybody in the room. Some of it is going to be difficult, but be willing to listen to others.

Government and Administration chair Jack and Attorney General Joe, continue with the revisions of the Constitution to the legislature and proceed into formally reviewing those amended changes.

**Government and Administration:** 0/7/0 - Negative Recommendation  
**Author’s Report:** Resolution change from Fall 2018 to Spring 2019. For the amendment that I just passed, the reason it has been postponed is because in order to serve as a Associate Justice you must have at least a total of nine credits in Montclair State University.

**Candidate Report:** Hello, so this semester I will be serving as a legislature and next semester I will be serving as an Associate Justice.

**Questions for the Organization:** Do you have prior experience in student government? In high school, I have served as both Student Government President and Vice President, but mostly President.

Questions for the Organization: How will you work with other feminism oriented clubs on campus? Well, we are open to anyone not just women, we actually have three males on our international level. Are there any other requirements for this organization due to it being from an international organization? The only requirements we have is that you be a college student. We need to have ten members or more and chartered by the SGA.
Debate and Discussion: None.
Bill passes.

BILL #F2018-030
Government and Administration: 0/7/0 - Negative Recommendation
Author’s Report: Change resolution from Fall 2018 to Spring 2019. Arianna motioned to change the third whereas to “the proposed modifications of the SGA constitution depending on the plans of the SGA lawyer.” Amendment was adopted.
Questions for the Author: In the second whereas, why does it say statutes? It is my mistake, it should be changed.
Questions for the Organization: When will the constitution go into effect? There is no official date, as it still needs to be reviewed by the legal team once it has been voted on.
Debate and Discussion: None.

BILL #F2018-031
Appropriations: 6/0/0 - Positive Recommendation
Author’s Report: Formal amendment to bring the total down to $200 and have the matching funds be equal to $100.
Questions for the Author: No questions.
Organization Report: MUFASA is participating in Mr Philippines pageant, which is being done alongside with 25 other universities within New Jersey, which this event will serve as a form of promoting for their Mr Philippines pageant.
Questions for the Organization: Will a person presenting themselves from another gender other than a man, will you accept them into the pageant? Yes.
Debate and Discussion: Point of Information - The organization is requesting funds from the SGA? Yes. What is the total cost of the event? $350. In total, how much do you need in total from matching funds? $100. If this event is a success, I would recommend maybe changing the title of the event in the future from Mr MUFASA to something maybe more inclusive.
Bill passes.

XI. OPEN FORUM

Alex: Were there any changes to the financial policy this semester?

Emma: So far, there have been no changes to our financial policy this semester so far.

Arianna: I just want to say that the GPA was brought up again today, and we have been discussing this for weeks now, so if you are a legislature in the SGA, I recommend you actually try and make the effort to make it to the committee meeting as it would help us a lot with saving time as we won't have to go over this every week.

Emma: If we opt to do the Constitution next semester, we have a lot more time and more places in which where we can do the Constitutional convention. This is a very important document that has been in the works since last year.
