To Whom It May Concern: As of the end of today, November 26, 2018 I will no longer be Student Government Clerk. It is with great appreciation I have chosen to resign from my position. I appreciate the opportunities I have been given in the Student Government Association here at Montclair State University and your professional guidance and support. I wish you all and our association success in the future. Why am I leaving? It was not an easy decision, but with outgoing personal issues and reflection I have decided this position is no longer in my best interest. If you have any further comments, or questions I would rather it be one on one. Please do reach out to me for any clarification.

Yours in Friendship always, Eduardo Martinez
VI. CABINET REPORTS

VII. COMMITTEE REPORTS

G & A: Hey, we just finished the statues. Be ready to review them next week. Yeah, that’s it.

Org Review: Hello All. Today were going to see organizations that did not go through committee. We are on a time crunch, and I chose the ones i felt were most prepared presentation wise, to bypass committee. I sent the email at 6pm, and received 4 out of the 5 presentations to review, so a big round of applause to the orgs who are presenting today. I want to make sure you take the timeframe and lack of vetting process into consideration when seeing the presentations today. They have had less than 16 hours to prepare without having gone through Org Review. That being said, this isn't willy nilly and I’ve looked over the presentations and made sure to give questions in preparation, so they are more aware of what is to come. After today's presentations were down to 7 orgs left for org review. And they're all going tomorrow and will be presenting on the last day of the semester, December 5th. That’s it.

Author’s Report: This organization is very persistent and really wants to learn everything they can about the SGA so they are well prepared. She said the most questions I have ever seen, and I think that’s really commendable as a Class IV organization.

Questions for the Author: No questions.

Organization Report: Refer to the organization for a copy of their powerpoint.

Questions for the Organization:
Chavin: Can you explain what non-binary means as opposed to multicultural?
Organization: Multicultural is an umbrella term for multiple people under that culture. Non-binary means they don’t want to identify themself with one culture.
Ty: How your organization is different from the other multicultural organizations on campus?
Organization: We want to create an organization with an identity being international students. We want to showcase those identities that are not as prevalent and showcase them.

Rebecca: Are there other people that speak Russian?

Author’s Report: No report.
Questions for the Author: No questions.
Organization Report: Refer to the organization for a copy of their powerpoint.
Questions for the Organization:
Arianna: What makes your organization unique?
Organization: Unlike the other organization, ours focuses on the entire food process and creating, not just the nutrition.
Elshama: I heard that you are doing life cycles, how far in depth are your evaluations?
Organization: Not that far in depth.
Arianna: Why are you trying to charter as a Class III instead of Class IV.
Organization: There is a lot of student interest and the events that we need to plan require funding. The food systems concentration is pretty big.
Emma: Will you both be on another eboard simultaneously?
Organization: Ruthie and Jamie: Yes.
Arianna: Will you be able to manage that time wisely?
Organization: Yes.

Committee Report: Primo: Motion to discharge committee.
Arianna: Objection. I think that a brand new committee should at least go into committee as a whole.
Emma: Objection fails. Motion passes.
Questions for Committee: No questions.
Debate and Discussion:
Arianna: I am not comfortable voting on a bill that hasn’t been through committee.
Primo: I have met with both of the E-board members and I see where some of you are coming from with the hesitations, but they are both people that really know the SGA and is very different.

Arianna: If I don’t feel comfortable voting on the bill, can I abstain?
Emma: Yes.
Joe: They have a class director on their eboard that can help them out and have an awesome director.
Bill passes.

BILL #F2018-060

Author’s Report: There was confusion between myself and the organization. Motion to make a formal amendment and change all the other allocated funds for supplies and decorations and add them to food in the breakdown.

Motion passes.

Questions for the Author: No questions.

Organization Report: We just want everyone in the community to come together and share in the same religion and more people are coming than originally thought so we just want to have food for everyone.

Questions for the Organization:
Jack: Since you are refinancing, do you have funds for the supplies and decorations?
Andrew: Yes
Ty: Is this just for your members?
Organization: Open to everyone.
Arianna: Are there going to be inclusive options?
Organization: Yes
Chavin: How many attendees are you expecting?
Organization: About 100
Arianna: Where are you getting the food from?
Organization: Inaudible.

Committee Report: 5/0/0 - Positive Recommendation

Questions for the Committee: No questions.

Debate and Discussion:
Joe: After looking over the dates, it does not act in accordance with the 28 day rule. POI to the organization is there a reason why you didn’t submit the form before hand?
Emma: POI to the author, when was the bill info form sent to you?
Andrew: 28 days on November 5.
Emma: POC to the Legislature the organization are told to send their bill info form 32-35 days in advance.
Arianna: POI to the organization do you know why it was sent that late?
Organization: Just some miscommunication about what funds we really wanted.
Rebecca: Inaudible.
Emma: Correct.
Elshama: Is this an actual policy?
Emma: It is written as a suggestion, but it’s in the financial policies.
Rebecca: So there is a time frame for bill submission?
Emma: Yes, 28 days for matching funds.
Joe: Seeing that this bill does not coincide with the 28 day policy I am ruling this bill unconstitutional.
*Bill is ruled Unconstitutional.*
James: Motion to override the ruling of the Attorney General.
Emma: Motion passes. Continue with Debate and Discussion.
Jill: POI to the Organization. Are you expecting more people now?
Andrew: It was a miscommunication with the organization.
Emma: POI to the Organization. Did your organization intend to submit a PEEF for food?
Organization: Yes
Arianna: The cost per plate is $65 for a plate of food. I think it’s a lot of money.
Eric: It’s actually $6.50 per person.
Bill passes.

**BILL #F2018-061**

**Author’s Report:** Every year the SGA pays to have a yearbook created and published and two weeks ago I received the invoice for the 2018 yearbook then another week later I received the payment for the 2019 yearbook. We don’t have enough money in the line to do both payments at once and in order to give the yearbooks to those graduating we need to add the extra money to this line. I have been speaking with Pam about fixing the corporate budget so that next year there will be money in the line for payment of both yearbooks at the same time.

**Questions for the Author:** No questions.

**Committee Report:** 3/2/0 - Positive Recommendation

**Questions for the Committee:** No questions.

**Debate and Discussion:**
Rebecca: Does the yearbook cost money?
Serafina: No. totally free
Arianna: This problem has continually happened and this is nothing new to add extra money into the line.
Serafina: Yes.
Arianna: I appreciate that you are adding more money to the corporate budget to fix this line.
Emma: Anyone confused?
Ty: I was on the same page until you said that both books are being paid for at the same time.
Serafina: It takes a while to get the book created and printed and we don’t get charged until the book is completely finished.
Bill passes.

**BILL #F2018-062**

**Author’s Report:** This year we have a new travel agent and on Friday we announced the Senior Trip which is a cruise to Bermuda. The travel agent needs the payment before the new year, the other travel agents didn’t need it until we collected the money from the students. However, once the money is collected from the students it’s going into unappropriated surplus. All students pay the subsidized cost for the trip. So it’s basically like a short term loan. The final payment will be collected in February from the students.

**Questions for the Author:** No questions.
Committee Report: 5/0/2 - Positive Recommendation

Questions for the Committee: No questions.

Debate and Discussion:
Ty: What were to happen if you didn’t fill up all the spots.
Serafina: That hasn’t happened in years passed, but if it doesn’t sell out then it’s opened up to the undergraduate student body.
Bill passes.
