BE IT ENACTED BY THE LEGISLATURE OF THE STUDENT GOVERNMENT ASSOCIATION OF MONTCLAIR STATE UNIVERSITY, INC. THAT:

WHEREAS: The Food Advisory Committee, otherwise known as the Dining Committee of the Student Government Association, would like to require Freeman Hall to have the option of serving sizes (Small, Medium, Large) on the screen when you order food;

WHEREAS: It has come to the dining committees attention that often times the portion sizes vary drastically at this location, for example one day you may receive one chicken breast and the next you may receive three breasts in a single order, or your omelettes can vary greatly in size. This means that the portions sizes are inconsistent, and ultimately could also lead to an increase in food waste with uneaten portions of food, which also means wasted funds;

BE IT RESOLVED THAT: Dining Services creates the option of portion sizes at Freeman Dining Hall, which would enable dining to put out more consistent plates, and students to know approximately how much food they will be receiving on their plate.

BILL S2019-020: Emergency Housing ResLife Will be discussed next meeting

BILL S2019-026: Constitution Ratification Will be discussed next meeting

BILL S2019-030: Media Arts Mashup Class IV Recharterment

Authors Report: They were very inspiring group of motivated students and I think It’s very cool how they all bring something new to the table within their own collective.

Questions for Author: None

Questions for the organization:

Aianna: So you mentioned something about having more money to be able to pay for students to use equipment, so are you asking to move up a class and get a budget or are you?

Organization: No we are looking for advice to better apply our budget to what we can use and what we cannot use, see the school of communications and media is their own different entity outside you all. So its kinda rough without an advisor, we’ve been looking for an advisor all semester and no one has gotten back to us. And so our past advisor, we have been reaching out to him, he has not been responding to any of our emails. So we are looking for a new advisor. But um, the thing is we don’t know who to go to, who to contact and ultimately know what our students would be able to do with our budget as far as being supported insurance wise through the cage. That’s something we’d need to talk about to patty, administrators of the school of
communications and media about.
Arianna: Follow up, who was your advisor

Organization: Frank Caputo, He's an audio professor

Arianna: How long have you been with no advisor

Organization: since last semester, we have been using his email, but this entire semester he has not reached out to us. (inaudible)

Evan: Do you mean that he has stepped down as your advisor or just hasn’t reached out?

Organization: He hasn't reached out to us, he was our advisor last semester, but as soon as the spring semester started after the break, it has been no reply. But we have been getting advised by some professors of the school of communications and media, but they are not our official advisor

Jack: Are you looking to change your advisor any time soon

Organization: Oh definitely because I graduate in may and I can’t leave my guys like this.

Emma: Point of clarification to the organization, without an advisor you can’t be chartered,

under the sga. Um we have to have an advisor that's a policy we created with the university, to make sure that all of the organizations had some sort of supervision.

So

Arianna: So i'm going to state what I do before I do it because I want to make it clear. So I am going to motion to not consider this bill at this time and basically that means its not off the table

but it won't be voted on today so you have time to go and look for an advisor so we can vote on it on a later date so we can vote on it properly because you’re an incredible organization but
without an advisor we technically can’t pass your charterment.

**Emma:** Any questions?

**Organization:** So the advisor can be any faculty?

**Emma:** any faculty member or staff on campus,

**Organization:** That's my only question.

**Emma:** and we’ll work with you to make sure we find someone for you whether it's temporary or for the long holding, we’ll work with you to find someone

**Arianna:** there's a lot of professors in the school of communications and media that will do it temporarily Motion to not consider this bill at this time

**Emma:** is there a second? We need 2/3 majority vote to not consider the bill at this time

**MOTION PASSES WITH 2/3 MAJORITY VOTE**

Committee report:

Arianna: Motion to discharge committee

Emma: is there a second? We need a 3/4 of the votes in order to discharge committee. Do we know why we are discharging committee?

Karla: No

Emma: Okay um, as I mentioned last week, we discharge committee when we are considering a bill that's in new business and it hasn't gone and been placed into unfinished business yet. So the organization has gone through committee unofficially but since the bill was not placed
into
unfinished business they can’t have an official vote in committee. Okay so Ariana motioned I
heard a second. We need a 3/4 majority votes in order to discharge committee

Emma: Committee is discharged

Arianna: Um I’m just wondering why this. Why this, How they went to committee, do you know what i’m asking ?

Emma:

Yes

Arianna: Why does that keep happening ?

Emma: I’m gonna defer to the chair of organization review

Givonna: So um there was a mess up with the bills, so I sent them to primo but i, they never got received, we had a problem with that so we figured it out and now thats why that went to new business (inaudible)

Arianna: Um,okay

Givonna: Does that make sense or ?

Arianna: Sure, it makes enough sense

Givonna: Okay

Primo: There was discrepancy. They were all sent in a single file and all bills must be received individually, for them to be able to be placed in numeric order by the date received. So they were all received together which is why there was a discrepancy but it won't happen again because we now know.

Emma: Point of information to the chair, what was the unofficial recommendation in committee?
Givonna: 4-0-0 positive recommendation.

Emma: Okay, wonderful.

Questions for the committee: None

Debate and discussion of this bill:

Emma: Well I thought that was a wonderful presentation

Arinana: I live (inaudible) and they, at least year did a lot of events in the lounge and they always had incredible attendance for those events. I love that they do events at the village because sometimes you don't want to come all the way back to campus if you live in the village for an event so kudos to them for programming everywhere

Organization: I believe one of our past events is happening in (inaudible) its within walking distance

Arianna: It's close enough

Organization: So you don't have to take a shuttle its okay.

Jack: Good job on getting those credentials well done.

Organization: Thank you very much

Emma: Okay anything else in Debate and discussion? Seeing none we need a 2/3 majority vote in order for this bill to pass.

BILL PASSES WITH 2/3 MAJORITY VOTE

Arianna: Motion to consider BILL S2019-043

BILL S2019-043: Justice For Education Class III
Rechartermnet

Authors Report: Um they were very well prepared

Questions for the Author:

Arianna: Is this the same thing where we’ll have to discharge committee

Givonna: Yes ma’am

Questions for the organization:

Arianna: point of information, so y’all want to be a class II

Organization: Yes

Arianna: So point of information to the author of the bill was that something that was made clear in committee.

Givonna: Yess, well, you guys emailed me correct? (inaudible) so they emailed me and asked me if I thought they qualified and I said yes but it was not discussed in committee. After reviewing their presentation and looking at their accreditation score I think they qualify so.

Arianna: Motion to back into authors report

Emma: Is there a second? Now in authors report

Arianna: Motion to make a formal amendment to the bill, in the first whereas it should say class II organization instead of class III and I also believe the time period changes correct?

Emma: It stays the same:

Arianna: It stays the same
Emma: Okay, is there a second? We need a 2/3 majority vote in order to adopt this formal amendment. Amendment has been adopted. Point of information to the PPT, they submitted their paperwork requesting charter as a what?

Primo: Class II

Emma: Wonderful

Jack: where are we right now?

Emma: Authors report

Jack: Point of information to the chair actually....They’re a class II?

Emma: They’re a class III looking to recharter as a class II.

Jack: Motion to make a formal amendment

Emma: We did that.

Jack: In the first whereas when it says would like to charter

Emma: It would still say recharter because they are still maintaining a charter. Moving back into

Committee report:

Arianna: Motion to discharge committee

Emma: is there a second? Does anyone need anymore clarification on that? We need a 3/4 of the votes in order to discharge committee. Committee is discharged. Point of information can I hear the unofficial recommendation?

Givonna: 4-0-0 positive recommendation

Emma: Wonderful

Debate and
Discussion:

Arianna: Point of information to the chair of the committee, was that recommendation, the unofficial recommendation, was that made based off them rechartering as a class III or as a Class II?

Givonna: So you’re asking, (inaudible) they want to recharter as a class II. Right, can you ask that one more time

Arianna: So the unofficial recommendation was what

Givonna: 4-0-0

Arianna: So was that a recommendation made based off of them remaining a class III or moving to class II

Givonna: Remaining a class III, because she emailed me about it afterwards.

Ariana: Point of information to Emma, i'm not sure how this paperwork works now, so if they filled out their paperwork to be a class II and it was submitted, shouldn’t they have been considered for a class II the entire time?

Emma: Correct

Debate and Discussion:

Arianna: Um I just wanna commend this organization, they are an incredible organization that does incredible work, um there really is not other organization like them on campus. Um and they are so new and they have succeeded all expectations. When they initially chartered I was a part of the legislator. They have done incredible work.

Emma: Anything else in debate and discussion? Seeing none we need a 2/3 majority vote for this bill to pass.

Questions for the organization:

Kevin: Do you guys work with the new york blood drive or the red cross (inaudible)

Organization: At least during my positions, last year and this year, we haven’t. We just would work with New Jersey Blood Services

Nick: Can you scroll up to the treasury report? How do you get that for the blood drive?
Organization: So that's why we only work with them, we tell students to promote the blood drive. So there's specific numbers, if we get 50 usable pints of blood, we get a check for $500. We could have 80+ people to come but after they check the blood and everything we have to have at least 50 usable pints

Nick: and then they give you a check?

Organization: Yes

(Someone): I don’t know if I missed it but how many general body members do you have?

Organization: So we have 23, 24 general members and for e-board we are seven.

Emma: any other question for the organization?
