**TARGET ENROLLMENT**

How many students do you anticipate will travel on this program? The program budget will be developed based on this number.
Click or tap here to enter text.

**ACADEMIC**

Summarize the learning activities included in this program (cultural activities, classroom time, guest lectures, field trips/excursions, group learning activities, research, service learning, community projects, volunteer time, and other academic activities prior to, during, and after the program) and how they will enhance the academic and cultural content of the course(s).
Click or tap here to enter text.
Academic departments and colleges are responsible for reviewing programs including course subject matter, instructional delivery methods, and faculty/staff eligibility and suitability to lead a program. Courses offered abroad must be of comparable academic rigor to those offered on campus and offer significant enhancement to the department’s on-campus academic program. Please review the Department Chair/College Dean Review Guidelines.

### Approval for Leader 1
I have reviewed and support the applicant’s faculty-led program proposal.
