Re: Response to Recommendation for 100% Tuition Waiver for AFT, CWA, PBA, and managers' dependent children, spouses, and parties to a Civil Union

President Bellum:

We have reviewed the policy recommendation for Employees' dependent children, spouses, and parties to a Civil Union who take classes at the University to retain any scholarship, and aid they received and cannot accept the recommendation. Such determination must result from the collective bargaining process.

Thank you for your thoughts.

Sincerely,

Jonathan Koppell
President
