What is Upward Bound?
The Upward Bound Project is a federally funded TRIO program designed to help generate the academic/social skills and motivation necessary for success in education among low-income and/or first-generation high school students.

The program provides opportunities for participants to excel in their precollege performance and ultimately in their pursuit of post-secondary education.
What does it **cost** to join?

NOTHING – Upward Bound is **FREE**!
Top 5 Reasons to join Upward Bound!
1. *It’s empowering!*

You do have the ability to finish high school, go to college and start a fulfilling career. Upward Bound helps you find the resources you need.
2. **It’s a platform you can use to develop your skills!**
You will learn how to study, how to reach goals and more.
3. **It’s supportive!**

Your peers and our staff become a community of people who want you to be your best.
4. **It’s fun!**

You will make friends with students from different schools across the district.

Together, you get exposed to different experiences such as college tours, museum visits and international culinary cuisines! (just to name a few!)
5. **It’s an investment in your future!**

Students who participate in an Upward Bound Program are **4 times MORE LIKELY** to earn a college degree than their peers!

90% of Upward Bound students are accepted to their **1st choice college**.
Some colleges/universities our students have attended/graduated from include:
Some of our students have gone to these schools **ON FULL SCHOLARSHIP & TUITION ELIGIBILITY!**
