Welcome to Montclair State University, a distinguished institution chosen by international students from more than 85 nations!

Established in 1908, Montclair State University is a leading university in New Jersey and is designated a national Research Doctoral University by the Carnegie Classification of Institutions of Higher Education. Its ten colleges and schools serve 21,000 undergraduate and graduate students with more than 300 doctoral, master's and baccalaureate level programs.

The beautiful, 252-acre (102 hectares) campus is just 12 miles (19 kilometers) from New York City, and 1-1/2 hours from the Jersey Shore beaches. Over 5,000 students live on campus in a safe and welcoming environment.

The Office of International Engagement fosters a welcoming environment for international students, faculty and scholars who join our diverse community. It supports students during the admissions, immigration, arrival to campus, and orientation processes – from day one to graduation.

A photograph of a campus walkway. In the foreground, there's a brick-paved path leading towards a large, light-colored building with a prominent archway. Through the archway, a street with trees and other buildings is visible. To the right, there's a building with a red-tiled roof and a clock tower in the background. The sky is blue with some clouds.

**Break**

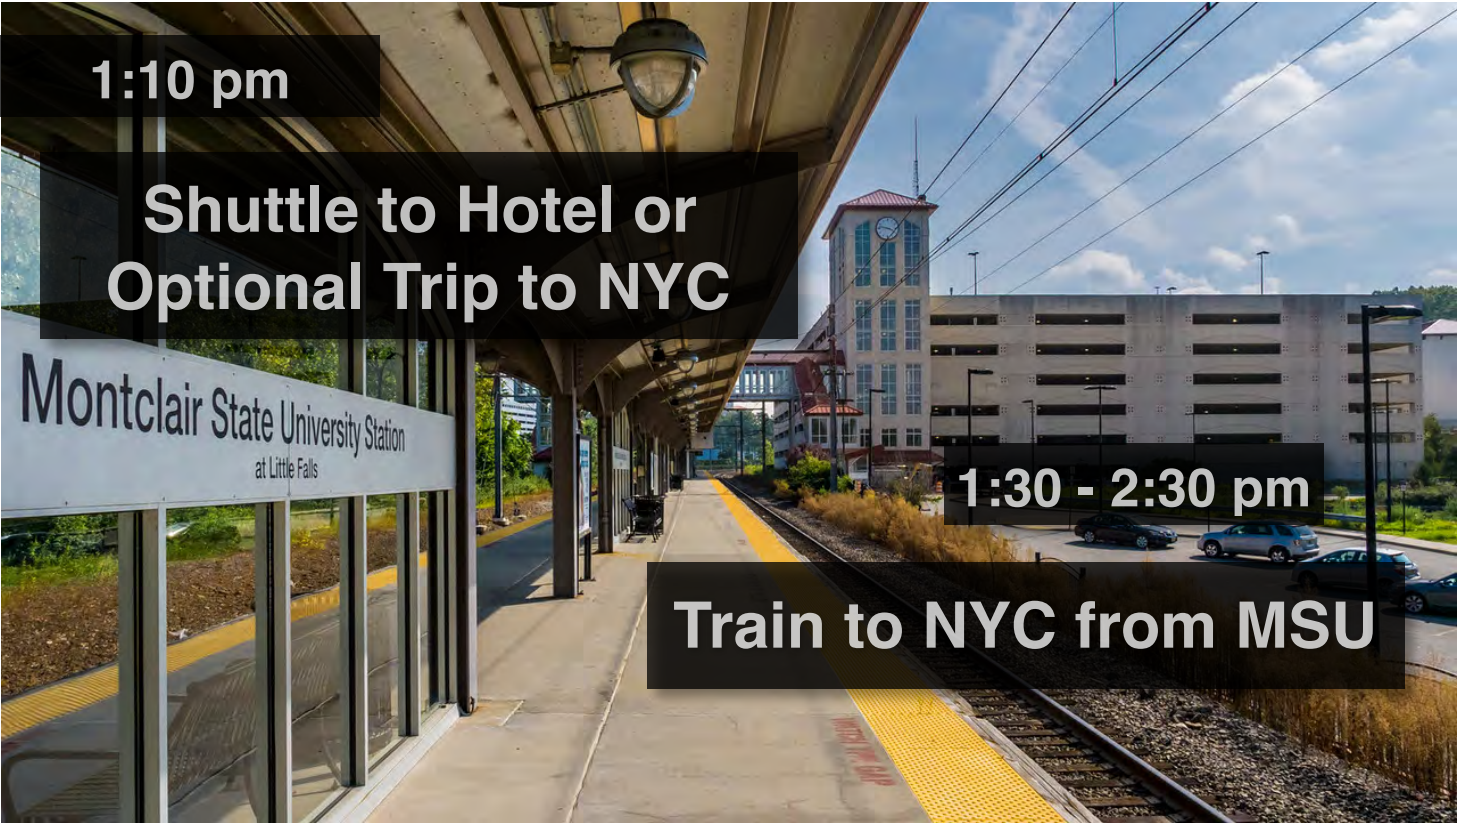

**10:55 - 11:15 am**

**Lunch and Closing Ceremony**

**11:15 - 12:30 pm**

**Campus Tour**

**12:35 - 1:55 pm**

A photograph of a train station platform. On the left, there's a glass-enclosed waiting area with a sign that reads "Montclair State University Station at Little Falls". The platform has a yellow tactile paving strip along the edge. In the background, there are train tracks, overhead power lines, and a large, multi-story building, likely a hotel or parking garage. The sky is blue with some clouds.
