

Turnitin Assignments in Canvas

Turnitin is a plagiarism detection tool integrated into Canvas.

How do I create a Turnitin assignment?

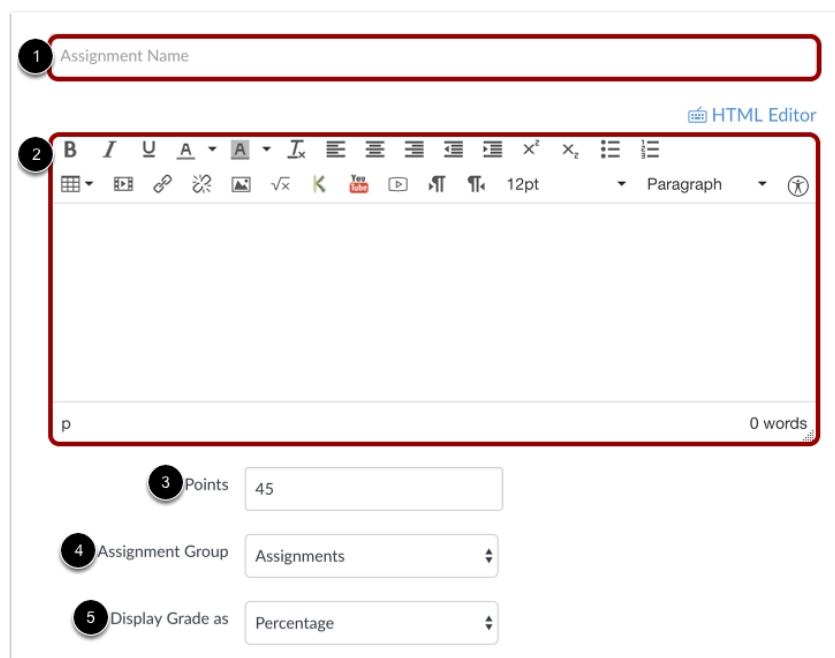

- 1) Navigate to your course in Canvas
- 2) In Course Navigation, click **Assignments**

- 3) Click **Add Assignment**

- 4) Add **Assignment Details**

A screenshot of the Canvas Assignment Details form. The form includes the following fields and options:

- 1. Assignment Name (text input field)
- 2. HTML Editor (rich text editor with toolbar and 0 words count)
- 3. Points (text input field with value 45)
- 4. Assignment Group (dropdown menu with value Assignments)
- 5. Display Grade as (dropdown menu with value Percentage)

- In the **Assignment Name** field [1], type a name for the assignment.
- In the **Description** field [2], enter the details of the assignment for your students. When students view the assignment, the description appears at the top of the page. However, the text shouldn't be significantly long in this space. If necessary, you can include additional instructions for the assignment as part of the assignment Turnitin settings.
- Enter the number of points for the assignment [3]
- Select the **Assignment Group** [4]
- Select the grading type from the **Display Grade as** menu [5]

5) Select **Online** for the **Submission Type** and select **File Uploads** and **Enable Turnitin Submissions**

Note: If this assignment requires students to submit Draft copies, **DO NOT** check **Include in Repository** under **Turnitin Repository**.

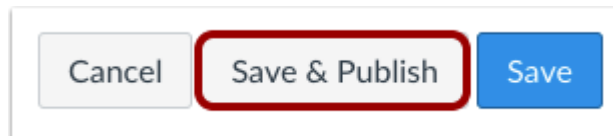

7) Add **Due** and **Availability Dates**

Set due and/or availability dates for the assignment. These dates appear throughout Canvas like regular assignments.

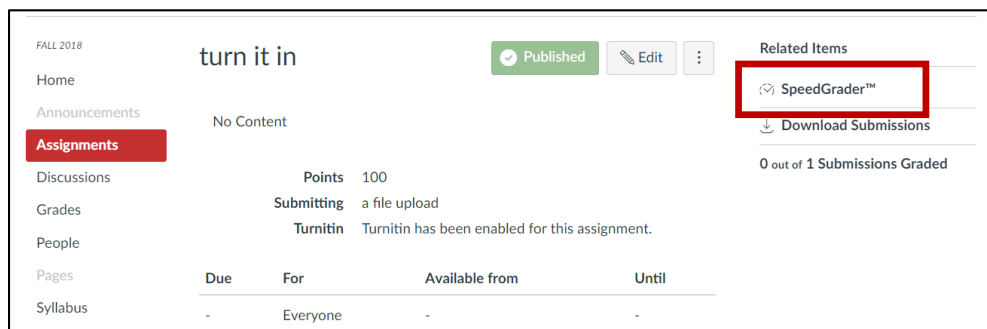

- By default, Canvas will set your assignment dates for everyone in your course [1]
- Create a due date for the assignment in the **Due Date** field [2]
- You also have the option to add **Available from** and **Until** dates [3]

8) Click **Save & Publish**

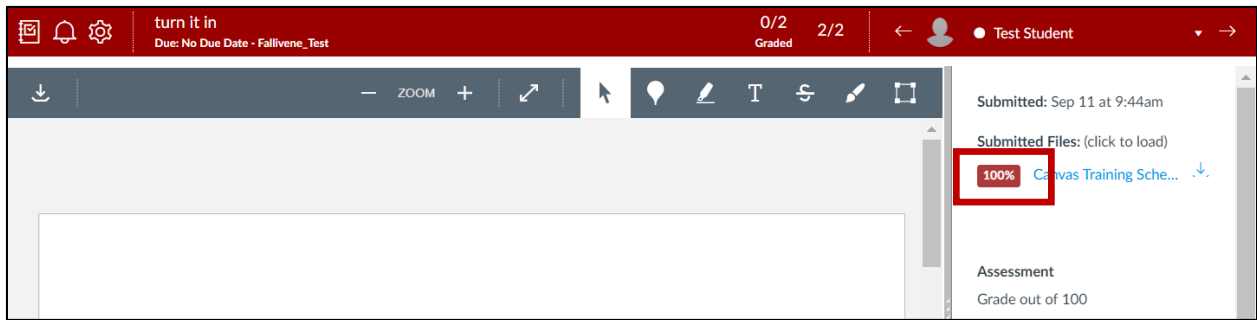

Evaluating a Turnitin Assignment

- 1) Open the **Assignment**
- 2) Click on **Speedgrader**

Due	For	Available from	Until
-	Everyone	-	-

- 3) Click on the **Turnitin Similarity Score** percentage. This will open the Turnitin Similarity Report.

Understanding the Similarity Report

Please visit the [turnitin website](#) to understand the results of the **Similarity Report**.
