| Wednesday Sept 7, 2022 | **Concept:** What comes in a pack  
**Audience:** educators, community leaders, parents | Today, we want to talk about what actually comes in a pack. Each pack comes with a piece of fun literature, a creative, interactive activity, a digital lesson plan, and guidebook with links and contact information. All packs are unique each month and have different information depending on what level you purchased. Each pack has enough fun and learning for the entire month.

| Friday Sept 9, 2022 | **Concept:** Get to know us  
**Audience:** educators, community leaders, parents | Today, we wanted to introduce ourselves to the pack. We are lead by two amazing individuals Sean and Gabi who make all our boxes and pick out each and every piece of the boxes. Sean (He/Him/His) is a queer man who has done a lot of social justice work in college and is an advocate for queer education. Gabi (She/Her/Hers) is an educator who has worked with kids and is familiar with elementary learning. They put their passions together and thus Pride Pack was born. We are incredibly lucky for our following and customers helping us grow each and every day.
